

## Hosting Upgrade Appeal

Dear Visitor. The Tap has become increasingly busy over the last few weeks with many more visitors and sign ups. It's currently creaking and slowing. We need a hosting account upgrade to help cope with the increased activity and keep this free blog online. In this age of great change The Tap is a valuable independent resource where we can come together and share information the controlling parasites would rather we didn't have. It would be sad to lose it but it costs to keep it going and free to use. If any of you can help donate even a small amount towards the hosting upgrade that would be a big help. Your small donation makes a huge difference. Thank you in advance. [Click here to donate](#)
